[Savvy Saving](#). Spath, Carolyn E. W. New York: Cavendish Square, 2015. About *saving* -- Why *save*? -- Managing money -- Fighting temptation -- Understanding banks -- Opening a *savings* account. Available in print and eBook formats.

[Smart Spending](#). Steffoff, Rebecca. New York: Cavendish Square, 2015. Describes how to spend money wisely, from finding good deals and asking about warranties to setting a budget and the basics of credit. Available in print and eBook formats.

## FICTION

[Count on Pablo](#). DeRubertis, Barbara. New York: Kane Press, 1999. Pablo demonstrates how good he is at counting while helping his grandmother, his "abuela," prepare to sell vegetables at the market. Addresses themes of earning and solving problems. Available in print and eBook formats. Also available in Spanish.

[A Bargain for Frances](#). Hoban, Russel. New York; Evanston; London: Harper & Row, Publishers, 1970. See how Frances had to work on prioritizing when she bought a tea set. Available in print format.

[Tia Isa Wants a Car](#). Medina, Meg. Somerville, Mass.: Candlewick Press, 2011. Tia Isa and her niece try to save enough money to buy a car to take the whole family to the beach. Available in print and eBook formats. Also available in Spanish.

[My Rows and Piles of Coins](#). Mollé, Tololwa M. New York: Clarion Books, 1999. A Tanzanian boy saves his coins to buy a bicycle so that he can help his parents carry goods to market, but then he discovers that in spite of all he has saved, he still does not have enough money. Available in print and eBook formats.

[A Chair for My Mother](#). Williams, Verna. New York: Greenwillow Books, 1982. A child, her waitress mother, and her grandmother save dimes to buy a comfortable armchair after all their furniture is lost in a fire. Available in print format.

## Young Adult Books

[The Motley Fool Investment Guide for Teens: 8 Steps to Having More Money Than Your Parents Ever Dreamed Of.](#) Gardner, David. New York: Fireside, 2002. A guide to becoming financially independent with tips on saving and investing.

[O.M.G.: Official Money Guide for Teenagers.](#) Beacham, Susan. Lake Bluff, IL: Money Savvy Generation, Inc., 2014. This concise but comprehensive book on personal finance is written specifically for teenagers and is full of valuable information collected from financial experts.

[The Complete Guide to Personal Finance: For Teenagers, 2<sup>nd</sup> edition.](#) Butler, Tamsen. Ocala, FL: Atlantic Publishing Group, Inc., 2016. A reliable and relevant source of financial information in which young adults will find a wealth of useful information.

[The Wealthy Barber: Everyone's Common-Sense Guide to Becoming Financially Independent, 2<sup>nd</sup> Edition.](#) Chilton, David. Rocklin, CA: Prima Publishing, 1996. Finally, for the folks on Main Street (not Wall Street), here's a sensible and enjoyable guide to financial planning

[The Richest Kids in America: How They Earn It, How They Spend It, How You Can Too, 3<sup>rd</sup> edition.](#) Hansen, Mark Victor. Newport Beach, CA: Hansen House, 2009. Describes how young people can become wealthy in their own right by developing their entrepreneurship, and profiles successful young businesspeople.

[Financial Basics: A Money Management Guide for Students, 2<sup>nd</sup> edition.](#) Knox, Susan. Ohio State University Press, 2016. This book is meant to empower students at the beginning of their financial lives with basic, straightforward information on managing bank accounts, creating spending plans, determining how much they can afford to pay for college, making student-loan decisions, establishing a credit history, and other money-management options.

[The Young Entrepreneur's Guide to Starting and Running a Business.](#) Mariotti, Steve. New York: Crown Business, 2014. This book illustrates how to turn hobbies, skills, and interests into profit-making ventures.

[Loaded: Money, Psychology, and How to Get Ahead Without Leaving Your Values Behind.](#) Newcomb, Sarah. Hoboken, NJ: John Wiley & Sons, Inc., 2016. *Loaded* explains how our experiences with money have a psychological basis and can often run counter to our core values.

[Not Your Parents' Money Book.](#) Chatzky, Jean. New York: Simon & Schuster Books for Young Readers, 2010. Offers advice to middle schoolers about their personal finances, describing ways to make, save, and spend money responsibly.

[Life After School Explained: The Definitive Reference Guide.](#) Vickey, Jesse. Orlando, FL: Cap & Compass, 2015. Credit cards, HMOs, leases, business dinners ... this witty book explains all of the "life skills" that no one bothers to teach in the classroom. The book was written by a team of young professionals, and is full of funny first-hand experiences from their first few years in the real world.

[The Money Book for the Young, Fabulous & Broke](#). Orman, Suze. New York: Riverhead Books, 2005. This book addresses the specific financial reality that young people face today, and it offers a set of real, not impossible, solutions to the problems at hand and the problems ahead.

[Generation Debt: Take Control of Your Money](#). Ulrich, Carmen Wong. New York: Warner Business Books, 2006. If you're like most 18 to 34-year-olds, you're drowning in debt. Student loans, credit cards, car payments, rent-sometimes it seems like the whole system's conspiring to keep you broke.

[How to Turn \\$100 into \\$1,000,000](#). McKenna, James. New York: Workman Publishing, 2016. From the creators of the nationally syndicated public television shows Biz Kid\$ and Bill Nye the Science Guy, this is a comprehensive first guidebook to earning, saving, and investing money.

[Smart Spending: The Teens' Guide to Cash, Credit, and Life's Costs](#). McGuire, Kara. North Mankato, MN: Compass Point Books, 2015. How do you make sure that your money stretches to cover all of your needs and at least some of your wants? Smart shopping, setting up a budget, and building and managing your credit rating are all key skills to learn.

[I Want More Pizza: Real World Money Skills For High School, College, And Beyond](#). Burkholder, Steve. Overcome Publishing, 2017. This book shows that personal finance does not take a lot of time, allows you to live similar as you do today and have more money.

[Making Money Work: The Teens' Guide to Saving, Investing, and Building Wealth](#). McGuire, Kara. North Mankato, MN: Compass Point Books. 2015. Learn about the various ways to save and how socking away a little money over time can vastly improve your life in the long run.

[The Teen Money Manual: A Guide to Cash, Credit, Spending, Saving, Work, Wealth, and More](#). McGuire, Kara. North Mankato, MN: Capstone Young Readers, 2015. Provides a comprehensive guide for teenagers to saving, spending, and earning money, and includes information on starting a business, preparing for interviews, opening a bank account, and purchasing car and property insurance.

[All About the Green: The Teens' Guide to Finding Work and Making Money](#). McGuire, Kara. North Mankato, MN: Compass Point Books, 2015. Offers tips on how to get a job, understand a paycheck, and negotiate a raise.

[Cover Your Assets: The Teens' Guide to Protecting Their Money and Their Stuff](#). McGuire, Kara. North Mankato, MN: Compass Point Books, 2015. Once you've started to accumulate property and money, you're not done managing your financial life. You still need to protect your possessions, your money, and your identity from theft.

[Rich Dad Poor Dad for Teens: The Secrets About Money--That You Don't Learn in School!](#) Kiyosaki, Robert T. Scottsdale, AZ: Plata Pub., 2012. A guide that encourages the development of confident and responsible money skills, providing case examples, sidebars, and attitude recommendations that demonstrate how to achieve security in today's challenging job market.

[Unfair Advantage: The Power of Financial Education: What Schools Will Never Teach You About Money](#). Kiyosaki, Robert T. Scottsdale, AZ: Plata Pub, 2011. True financial education is the path to creating the life you want for yourself and your family. This book challenges people to change the one thing that is within your control: yourself.

## **Books for Parents**

[Blue Chip Kids: what every child \(and parent\) should know about money, investing, and the stock market.](#) Bianchi, David W. New Jersey: Wiley, 2015. An easy to read guide explaining the world of money, with special emphasis on investing topics.

[Rich Dad, poor dad: what the rich teach their kids about money that the poor and middle class do not.](#) Kiyosaki, Robert T. Scottsdale, AZ: Plata Publishing, 2017. Outlines a financial viewpoint based on the principle that income-generating resources provide sustainable bottom-line outcomes. Available in print, eBook and Audiobook formats.

[Rich Dad, poor dad: with updates for today's world and 9 new study session sections.](#) Kiyosaki, Robert T. Scottsdale, AZ: Plata Publishing, 2017. A financial philosophy based on the message that the poor and middle class work for money, but the rich have money work for them.

[Rich Dad's Rich Kid, Smart Kid: Give Your Child a Financial Head Start.](#) Kiyosaki, Robert T. Scottsdale, AZ: Plata Pub, 2012. This book is written for parents who value education, want to give their child a financial and academic head start in life, and are willing to take an active role to make it happen. In the Information Age, a good education is more important than ever. But the current educational system may not be providing all the information your child needs.

[Why "A" students work for "C" students: and "B" students work for the government.](#) Kiyosaki, Robert T. Scottsdale, AZ: Plata Pub, 2013. Offers advice to parents on providing children with a financial head start without giving them money, encouraging parents to focus less on their children's letter grades and more on helping them cultivate their passions.

[Make Your Kid a Money Genius \(Even If You're Not\).](#) Koblner, Beth. New York: Simon & Schuster, 2017. A guide showing parents how to teach their children (from toddlers to young adults) to manage money in a smart way. Rather than wait to have the "money talk" when our kids are "old enough to get it", start now. Available in eBook, eAudiobook and Audiobook formats.

[The Opposite of Spoiled: raising kids who are grounded, generous, and smart about money.](#) Lieber, Ron. New York, NY: Harper, 2016, 2015. A practical guidebook with values-based philosophy that explains why talking to your children about money will be beneficial as they become adults. Available in print, eBook and Audiobook formats.

[Smart Money Smart Kids: raising the next generation to win with money.](#) Ramsey, Dave and Rachel Cruze. Tennessee: Lampo Press, 2014. Equips parents to prepare their children for adulthood with a no-nonsense, common-sense approach to money. Starts with the basics like working, spending, saving, and giving, and moves into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment. Available in print and eBook formats.

## Books for Adults

[Budgeting 101: from getting out of debt and tracking expenses to setting financial goals and building your savings, your essential guide to budgeting](#). Cagan, Michele. New York: Adams Media, 2018. A clear and simple guide that provides tons of practical advice for budgeting and keeping track of your finances. Filled with expert advice on a wide range of the most common financial concerns and step-by-step instructions to managing your money both now and in the future. Available in print and ebook formats.

[Personal Finance for Dummies](#). Tyson, Eric. Hoboken, NJ: John Wiley & Sons, Inc., 2019. Provides fiscally conscious readers with the tools they need to take charge of their financial life. A plan to pay down and get out of debt, build emergency savings, and save and invest for retirement and college expenses. Available in print, ebook, and audiobook formats.

[Solve Your Money Troubles: Strategies to Get Out of Debt and Stay That Way](#). Loftsgordon, Amy and Cara O'Neill. Berkeley, California: Nolo, 2017. Shares practical guidelines for debt prioritizing and budgeting to get out of debt. Providing advice on such topics as stopping collector harassment, rebuilding credit, controlling spending, managing credit cards, and qualifying for a mortgage. Available in print and ebook formats.

[Your Score: An Insider's Secrets to Understanding, Controlling, and Protecting Your Credit Score](#). Davenport, Anthony and Matthew Rudy. Boston: Houghton Mifflin Harcourt, 2018. A road map for navigating the confusing world of consumer credit. Provides a comprehensive look at what every consumer needs to know about their credit score, and most importantly, how to fix it. Available in print and ebook formats.

[Credit Repair: Make a Plan, Improve Your Credit Score, Avoid Scams](#). Loftsgordon, Amy and Cara O'Neill. Berkeley, California: Nolo, 2017. Gives sensible strategies on how to take control of your finances, clean up your credit report and rebuild your credit. Provides information about credit repair scams and identity theft. Available in print book format only.

[Swiped: How to Protect Yourself in A World Full of Scammers, Phishers, and Identity Thieves](#). Levin, Adam and Beau Friedlander. New York: Public Affairs, 2015. A proactive and practical approach to combating identity theft including preventative actions to take. Provides information on different problems caused by identity theft: financial, criminal, medical, familial, etc., and explains how to cope if and when the reader becomes a victim of identity theft. Available in print and ebook formats.

[Protecting Your Internet Identity](#). Claypoole, Ted. Lanham, Maryland: Rowman & Littlefield, 2017. Explains the depth and importance of a person's online persona and reputation, and provides strategies for building the best possible online identity. Addresses ways that people live their lives online, the pressing legal changes that you need to know, and cutting edge technical developments and new ways to protect your identity and reputation. Available in print and ebook formats.

[How to Get Money for College 2019](#). Highlands Ranch, CO: Peterson's, 2019. A resource for students looking to supplement their federal financial aid package with aid from colleges and universities. This comprehensive directory points students and their families to information on need-based and non-need gift aid, loans, work-study, athletic awards, and more. Available in print and ebook formats.

[Paying for College](#). Chany, Kalman A., Geoff Martz and Princeton Review. New York: Penguin Random House, 2018. Provides guidance on applying for financial aid and gives advice to minimize college costs. This book can help you learn how to maximize your financial aid eligibility, how to fill out and answer FASFA questions, and how to compare aid offers. Available in print book format only.

[Personal Finance After 50](#). Tyson, Eric and Robert C. Carlson. Hoboken, NJ: John Wiley & Sons, Inc., 2018. Seniors have unique financial opportunities and challenges. This hands-on, practical guide empowers senior citizens to chart their financial course with targeted advice for investing, spending, and protecting wealth for the decades to come. Available in print and ebook formats.

[Social Security, Medicare, and Government Pensions](#). Matthews, J. L. Berkeley, California: Nolo, 2018. This book helps retirees navigate the Medicare and Social Security systems, maximize benefits, and appeal denials of services and benefits. It also covers Social Security disability, federal retirement benefits, as well as SSI, Medicaid, and pensions for veterans. Available in print and ebook formats.

[Estate Planning Basics](#). Clifford, Dennis. Berkeley, California: Nolo, 2017. Covers the basics of estate planning, including wills, trusts, and health care directives. It prepares readers to start planning their estate, with or without an attorney. Available in print and ebook formats.

[Investing in Your 20s and 30s for Dummies](#). Tyson, Eric. Hoboken, NJ: John Wiley & Sons, Inc., 2018. A great place to begin for younger adults who want to learn more about investing with targeted investment advice. Provides information covering evaluating assets and managing risk, understanding your portfolio, investing money wisely, and monitoring your progress. Available in print book format only.

[Mutual Funds for Dummies](#). Tyson, Eric. Hoboken, NJ: John Wiley & Sons, Inc., 2016.

Provides readers with insight on how to find the best mutual funds that match their financial goals. Helps readers avoid fund-investing pitfalls and maximize their chances of success with information on different fund investing strategies. Available in print book format only.

[Investing for Dummies](#). Tyson, Eric. Hoboken, NJ: John Wiley & Sons, Inc., 2017. Offers advice on how to develop a winning investment strategy, which matches your abilities with your expectations, to help you achieve your investment goals. Examines all aspects of investing, including how to develop and manage a portfolio; invest in stocks, bonds, mutual funds, and real estate; open a small business; and understand the critical tax implications of your investing decisions. Available in print and ebook formats.

[The Elements of Investing](#). Malkiel, Burton and Charles Ellis. Hoboken, NJ: John Wiley & Sons, Inc., 2013. Explains basic investing principles. Shows the reader how to focus on the long term instead of following market fluctuations that are likely to lead to costly investing mistakes. Available in print and ebook formats.

[A Random Walk Down Wall Street](#). Malkiel, Burton. New York: W. W. Norton & Company, 2019. This 12th edition of an investment classic can help someone learn the basic terminology of Wall Street and how to navigate it with the help of a user-friendly, long-range investment strategy. Explains how the reader could potentially match or exceed the performance of portfolios carefully picked by professionals using sophisticated analytical techniques. Available in print and ebook formats.

[Retire Inspired](#). Hogan, Chris. Brentwood, Tennessee: Ramsey Press/Lampo Group, 2016. Provides clear investing concepts and strategies. Written to help people make their own investing decisions, set reasonable expectations for retirement, and figure out the amount of money needed to live the life in retirement they want. Available in print book format only.

[Social Security for Dummies](#). Peterson, Jonathan. Hoboken, NJ: John Wiley & Sons, Inc., 2018. Provides information to successfully navigate the complex world of Social Security retirement benefits. Gives clear guidance on when to claim benefits, how much you can expect to receive, where to find Social Security calculators, etc. Available in print and ebook formats.

[The Big Short](#). Lewis, Michael. London: Penguin Books, 2015. Tells the story of four outsiders in the financial world who predict the credit and housing bubble collapse before anyone else, and bet against the banking system. Available in print and ebook formats.

[Too Big to Fail: The Inside Story of How Wall Street and Washington Fought to Save the Financial System from Crisis - and Themselves](#). Sorkin, Andrew R. New York: Penguin Books, 2018. Presents a moment-by-moment account of the 2008 financial collapse from both Wall Street and Washington. Documents state efforts to prevent an economic disaster, offering insight into the pivotal consequences of decisions. Available in print and ebook formats.

[The Financial Crisis Inquiry Report: Final Report of the National Commission on the Causes of the Financial and Economic Crisis in the United States](#). New York, NY: Public Affairs, 2011. In 2008 the US government stepped in to rescue a faltering financial system. To discover what exactly prompted a calamity of such magnitude the United States Congress created the Financial Crisis Inquiry Commission in May 2009. This title presents the Commission's revealing and substantive account. The definitive report on what caused America's financial and economic meltdown and who was responsible. Available in print and ebook formats.
